NARRATIVE OF THE LIFE OF FREDRICK DOUGLASS

Directions: After reading your selection from *Narrative of the Life of Fredrick Douglass* with your group, please prepare a two-minute presentation for your classmates about it. Every person in your group must have something to say to the class about your reading. The following questions should help guide you in what you should present.

After the class has made presentations on each excerpt, please answer the questions on the back.

1. Who wrote the selection you read?
2. What is your excerpt about? Give a brief summary.
3. What does this tell you about Fredrick Douglass? (What kind of person is he? What is important to him? Why is this important or how can it help him achieve his freedom?)
