# HOW DID GEOGRAPHY EFFECT THE ECONOMIES OF THE COLONIES?

## Seminar Preparation

Going into the Socratic Seminar, what do you think? How strongly do you hold this position? What has been most influential about your opinion on this topic so far?

---

---

---

---

---

---

---

---

Select **two** goals you would like to work toward during this Socratic Seminar.

- |  |  |
|--|--|
| <input type="checkbox"/> Yield to another to share talk time | <input type="checkbox"/> Disagree agreeably or in a neutral tone                 |
| <input type="checkbox"/> Refer to detail in the text         | <input type="checkbox"/> Respond to what someone else says by adding or refuting |
| <input type="checkbox"/> Consider multiple points of view    | <input type="checkbox"/> Ask questions, clarifying or open-ended                 |
| <input type="checkbox"/> Speak out of uncertainty            |  |

Going into the Socratic Seminar, write one (non-rhetorical) question you have and one statement or point you hope to make.

Question: \_\_\_\_\_

---

Statement: \_\_\_\_\_

---

---

Name: \_\_\_\_\_ Section: \_\_\_\_\_ Date: \_\_\_\_\_

Write the initials of the person who spoke on the left and a brief summary (note form) of what was important about what they said. This should be in order of the things that were said, as much as possible. You do not have to write everything; focus on comments that made you think, were good support, or challenged your thinking.

Initials	Summary of ideas
